SUBJECT: Closure of Proposed Small Mine NOI File, Marjum 1 Mine, American Trilobite Suppliers, Inc, S/027/0113, Millard County, Utah

This proposed NOI will be canceled, and the associated file closed. The same disturbance that Jake Skabelund (President of American Trilobite Suppliers, Inc) was originally planning to permit by the proposed Marjum 1 NOI has since been incorporated into Mr. Skabelund's Red Wheeler permit (S/027/0112). The form of this action was a Division-approved transfer of Robert Drachuk's permit "ML 49844 & ML 49599" (S/027/0107) and the concurrent amendment of Mr. Skabelund's permit. Mr. Skabelund also owns the current state leases at the site. Thus, no reason exists for the Division to justify keeping the Marjum 1 proposed NOI (S/027/0113) open.
